Was bought as a gift he loves it ! Thank You

Great book, It was in very good condition.

An oldie but goody. I have yet to find another book with this many great recipes. You won't find slick and beautiful photos here, but you will find humor and some really good advice.

Yan Can Cook, kid.

Love this old cookbook. Had a paperback and the binding fell apart with the years of use. So I found

this on Amamzon. There's a little tear at the binding but that's ok and I was forewarned of that. Took the picture of the chef from the paperback and glued it to the inside for old times sake!!

This book was in good condition for a used book. It did show a little sign of wear, but it was minimal. The recipes are easy and so far the person I bought it for was in love. She has already made several and just got it as a Christmas gift. It makes me want to get one for myself now.

This was a used book but quite serviceable. Color pictures would have been great...but this is an older book.

Really like this cook book and would recommend it to friend, infact bout another copy for a friend too.
