Synopsis

The St. Michael Prayer is once again being prayed daily for the intention of Religious Liberty in America! This booklet includes Prayers to St. Michael. Also included are the apparition and victory at Monte Gargano, the huge shrine to the Archangel on Mont St. Michel, the vision of Pope Leo XIII and St. Michael's role to come at the End of Time. Here too is a treasury of prayers, including the famous Chaplet of St. Michael the Archangel. A goldmine of traditional facts which will be an eye-opener and an encouragement to all Catholics in our daily spiritual battles!

The Benedictine Nuns of Perpetual Adoration are a monastic community with a ministry dedicated to prayer. Founded by Mother Mary Felber in 1874, the nuns now live under a Rule and a Prioress, and are strongly devoted to the practice of Eucharistic Adoration. Their monasteries are located in Missouri, Arizona, and Wyoming, and their dwellings are united under a central Congregation. The Benedictines support themselves by working with altar bread, correspondence, and handcrafts.

Their largest monastery, located in Clyde, Missouri, houses seventy-four sisters, and also serves as a central administration and health care facility. In addition to St. Michael the Archangel, the Benedictines have also published Spirit and Life magazine and run the Monastery Creations gift shop.

As Michael the Archangel is my patron saint, I know a lot about him but this remarkable book is packed with a lot more history and knowledge about this magnificent Archangel than I ever dreamed existed! Not only that, the book contains many, many prayers and novenas for Michael and his feast-days, along with the complete Chaplet of St. Michael (to be done with his chaplet beads). What a fantastic book, and I plan to get a few more copies for members of my Catholic church!

What a delight this little (and it is little) book is! About the size of a chicken breast, this bookie packs all the information you'd ever want about St. Michael, the archangel, including why the world needs our prayers to St. Michael--the first chapter explains why we might take up a devotion to the archangel. The second chapter is a history of St. Michael--in scripture, in Church teaching, and in Church lore (the text makes clear what is lore and what isn't). The third chapter details St. Michael's offices--the work he does for Heaven and for Earth (the Church as well as the Church Militant). The final chapter provides a number of prayers to St. Michael, including the Litany to St. Michael as well as the Chaplet of St. Michael. You can read this bookie in a single sitting, and it's small enough to carry in your purse or pocket, in case you want those prayers readily available.

This is a small but very powerful little booklet! For me, St. Michael comes first after the Holy Trinity, caring for me from dark entities. He is very powerful in protecting all that is good, and that is us, God's children (in my opinion). This book also includes some prayers in the back that are new to me, but I will use them. I praise him for the liberties he has taken to fight the devil for us here on earth, as well as for those in purgatory or elsewhere. I recommend this small booklet as an acknowledgement of security for Peace from Satan and his demons. You can keep it at home or carry it around with you.
