Fertile For Her Futa Stepsister: Taboo Futa-on-Female Pregnancy

Synopsis

When Nina and her husband desperately need a loan, there's only one place the young couple can turn. Her older, successful stepsister Darcy is willing to help, but she has some unusual conditions. Nina's impatient stepmom wants to be a grandma and is piling the pressure on Darcy. She wants Nina to take the heat off by having a baby. Nina would like nothing more than to get pregnant. There's just one problem: her husband is infertile. But Darcy has a huge and potent secret throbbing between her thighs. The other part of the arrangement is that Nina must willingly submit to her stepsister's insatiable lusts, not just once, but every day until she conceives. It's a chance for Nina to get everything she's ever wanted... if she can keep her eyes on the goal and keep her husband from discovering the details. But once things get going, she's going to find it far harder than she expects not to lose herself completely...
