Really delicious soup recipes. You will definitely lose weight during the two weeks of this diet.

Awesome! This book is going to teach you how to lose weight the healthy way n maintain it and also how to eat right without obsessing over every calorie. Tons of tips n recipes.... you are never gonna give up once you bring this book to your life. I use this book as a reference as well. Highly

recommended!! Worth recommending!

I have chronic back pain and can only spend 15 minutes cooking. Easier for me to depend upon whole foods and things that need only a little time to cook. This book must have been translated to English. There are some terms that don't make sense. Very few.
