## Customer Reviews

My daughter seems to enjoy them, as she really loves Spider-Man and other heroes, though the origin books never come across as stories so much as just a listing of details on the character(s) and all their villains. Nice printing and binding, though. For those wondering, the three books contained in the collection are "The Amazing Spider-Man", "Marvel Super Heroes: The Big Freeze", and "The Amazing Spider-Man: Trapped By The Green Goblin".

Good short book for a 4 year old crazy for Spiderman. Better than the comics his Dad was getting him. I wish these books had more about saving people than fighting with villains.

I gave this book to our grandson with some imaginext Spiderman toys. He loves it! The book is a great compilation of Spiderman stories and sparks the imagination. I try to give a Golden Book along with a toy so the child has a starting point for playing and making up stories with their toys. It beats another video game. Golden Books are so reasonably priced, too. This is a nice book(s) for

the money. Your kids and grandkids (and you!) will enjoy it.

My grandson loves it!

My 4 year old son loves Spider-Man. This book includes 3 different books about the super hero. He enjoys looking at the book over and over.

great

The perfect size book and reading style for a young spiderman fan.
