The Silver Platter: Simple To Spectacular Wholesome, Family-Friendly Recipes

Synopsis

Daniella Silver, an exciting new personality in the world of Jewish cooking, combines an amazing sense of style and presentation with an understanding of what makes food wholesome and nutritious and of what families want to eat. In *The Silver Platter* she brings us more than 160 recipes that allow us to explore new dishes, tastes, and presentations, all while keeping our families happy with great-tasting and wholesome food. Working closely with Norene Gilletz - the "matriarch" of kosher cuisine whose cookbooks appear regularly on bestseller lists Daniella creates dishes that are a delight to prepare, to serve, and, of course, to eat. Daniella has an extraordinary sense of color and presentation, while Norene possesses a wealth of understanding and knowledge of kosher cooking techniques. Bring them together, and it's like having two gourmet chefs with you in your kitchen! Every recipe includes easily-accessible ingredients, clear instructions, a gorgeous photograph, "Norene's Notes" with tips and techniques, as well as full nutritional information for every dish listed in an appendix. More than 80 recipes are gluten-free, perfect for Passover and for those on gluten-free diets. *The Silver Platter* features recipes for every occasion, from quick weeknight suppers to holiday celebrations. From the bold, unusual appetizers to the delectable desserts, and everything in-between, here are foods that are healthy to eat, spectacular to serve and surprisingly easy to prepare. So... get cooking!

I just received this today and already made the Spicy Roasted Cauliflower! I cant even put into words how delicious it was! For this alone the book is worth it. Every recipe looks delicious, every picture is perfect! Thank you for such an amazing book! I cant wait to make another one of your fabulous recipes! This book belongs in every cooks library, no matter how many books you have. You dont have anything like this!

I bought this book because there was a sale on another website and then of course I decided to check to see if I had it. Of course they did, and at a cheaper price. So I had to get this cookbook. I've only had this book for about 2 weeks and I've had success in every recipe I have tried. They came out amazing! This book is clear, gives many options for those with food allergies or just want to spice up the recipe a bit more. I highly recommend this cookbook! I cannot wait to try some more recipes.

This cookbook is fantastic! I have most of the ingredients that are needed in the recipe already in my house so I never have to make that extra trip to the grocery store. I also appreciate that there is a picture of each recipe so I can tell if my family would go for it or not as they are picky eaters. Many of the recipes have been added to the weekly dinner schedule. Keep up the good work and here's hoping for a Silver Platter 2.0!!!

Usually I consider myself lucky if I can find at least 3 good recipes in a cookbook. Well, this one has tons! They are so easy to make, you just have to try them. In the sides section, I think she focuses too heavily on quinoa. I really appreciate a kosher cookbook that focuses on simplicity!

Looked over this Cookbook while visiting my Canadian family for their Thanksgiving. Always getting recipes from them. They bought each other this book. I started marking pages to copy.....way to many. All healthy, simple and picturesque. Runs the range of those with dietary restrictions. Illustrations are exceptional. Will be buying this one for friends!!

I love this cookbook! The pictures are clear, as are the directions. The fact that there are options to change up each recipe means that I usually have all the ingredients on hand. What I have made has garnered rave reviews. I am really satisfied with this book!

This is a fantastic cook book! I have almost every kosher cookbook out there and this one is definitely one of my favorites! Fresh new recipes, a lot of modern healthy options, and nothing that is too complicated to make. Simple, elegant, healthy and delicious recipes!!! Highly recommended!

I tried the halibut spinach watermelon salad. Excellent. Also tried the blueberry flan it was yummy. I put a dollop of whipped cream on it and it was even yummiier
