Island summer residents Sue Allen and Jennifer Wohletz share their insight about Mackinac Island in the text accompanying each scenic photo. The corresponding illustrations reflect the unique styles of three artists, ranging from the linear, architectural lines of Alek Cummings, a graphic artist, to the organic, flowing lines of Studio Artists Amy Marlatt and Natalia Wohletz. This is the fourth book published by Mackinac Memories, Ilc.

Loved it!! Everything I was hoping for but so much more! The coloring pages are great, have already started enjoying them! I had not expected, however, the great tour of Mackinac Island this book gives! It has information about different spots around the island that I never knew and I've been a

regular visitor for years!. In the back of the book is a scavenger hunt that will take you to different parts of the island that aren't always common stops. I'm looking forward to my next visit so I can go to those places! Meanwhile, I'm having fun coloring all the different pages!
