Customer Reviews

'The answer to every short-breaker's dream. The jewel-coloured guides look beautiful and are exquisitely designed.' The Times 'Gorgeous photography, sharp graphics, and design-savvy, waffle-free text, written by city insiders rather than bearded backpackers.' The Independent 'Glamorous, global and affordable.' Telegraph magazine 'Packed with insider knowledge and eye-catching photography.' Vogue 'Ultra-glam, uber-chic' The Observer 'Attractive and well-researched.' USA Today 'Ultra-stylish.' Time Magazine 'Sophisticated but simple.' The New York Times 'Small, stylish and beautifully illustrated, the Wallpaper* City Guides make everything else look old hat. ... The photographs and maps are superb.' The Sydney Magazine

Wallpaper* City Guides are compiled by the magazine's travel experts, both by in-house editors, and correspondents who actually live in the highlighted cities, providing up-to-the-minute information.

I got this ATL City Guide because I liked that it was small enough to fit in my purse. However, it was

not very helpful for me as a tourist. Actually, I couldn't figure out who would need this...it is practically all upscale restaurant recommendations, and had very few suggestions about anything else. Not worth the paper it was printed on!

I had a friend moving to Atlanta and that that this would be a great way for him to find his way around and record his finds. Sadly the quality of the book left something to be desired. It felt cheap and really didn't look too impressive. Luckily it was just an extra gift to go with the great shirt i purchased from homage.com.
