Customer Reviews

I have only read 2 pages of this book and I am already in love with it. I bought it on Kindle because I am also a Returned Peace Corps Volunteer in Fiji and this book brings back so many memories for me. Keith, you've done a wonderful job. Thank you for writing this. I have added it to my collection of memories of the Peace Corps including my blog, journals, letters and emails to home and it supplements them nicely. For anyone that hasn't been to Fiji or experienced the Peace Corps, I can tell right now that this book will tell you everything you ever wanted to know about assimilating into a culture.
