Lumberjanes Vol. 8: Stone Cold

Synopsis

Five best friends at summer camp take friendship to the max when they team up to defeat the strange forces lurking within the surrounding forest. Excited to have Barney starting their first week at the camp, the Roanokes run over to the Zodiac cabin, only to find everyone turned to stone! Between strange shadows and Diane being back, it looks like April, Jo, Mal, Molly, and Ripley are going to have their hands full trying to find a cure for their friends . . . as long as they don't look the wrong thing in the eye first. This New York Times bestseller and multiple Eisner Award-winning series is a story of friendship, hardcore lady-types, and kicking a lot of butt. Don't miss out on the continued adventures of the Lumberjanes written by Shannon Watters and Kat Leyh (Super Cakes) with stories illustrated by Carey Pietsch (Adventure Time: Marceline Gone Adrift).
