The Art Of Hungarian Cooking: Revised Edition (Hippocrene International Cookbook Classics)

Synopsis

Songs of Hungary reveal that love and food are closely entwined in the hearts of this frankly and enthusiastically food-loving nation. The Art of Hungarian Cooking is a delightful accomplishment. In Hungary the spirit with which a special dish is cooked is almost as important as the ingredients and the measurements. Hungarian cooking is not spicy. It is pleasing in a sophisticated way, having that indefinable quality which also distinguishes the people. In this book there are many varieties of menus to be found, dishes to bring adventure to your cooking, give satisfaction to you as you cook and hostess over and above all the pleasure and enjoyment these dishes will afford your family and guests.

When I found, "The Art of Hungarian Cooking: Two Hundred and twenty-two Favorite Recipes," on ,

I decided to give it a try as I was basically unaware of the food of Hungary. The recipes are written in an easy to follow manner and those that I have tried so far were very good. I am impressed with the first part of the book because it explains a lot about Hungary's history and the influence that other cultures have had on Hungarian cuisine. There is nothing "slick" about the book; it is old-fashioned down-to-earth book where the reader knows that the author is a good cook and that you are "in her kitchen" to learn. Highly recommended.

I ALREADY OWNED THIS BOOK HOWEVER DUE TO SO MUCH USE, IT BECAME TOO FRAYED AND THE PAGES WERE HARD TO READ SO I REORDERED THIS BOOK AND OF COURSE I LOVE IT! I HAD THIS BOOK FOR YEARS AND YEARS AND LIKE THE RECIPES IN IT VERY MUCH. I WOULD RECOMMEND THIS BOOK FOR ANYONE WHO LOVES TO COOK HUNGARIAN FOOD INASMUCH AS I COOK FROM A TO Z. AUSTRIA TO ZANZIBAR. JUST ABOUT.

This book has been a bible of Hungarian cooking for my not Hungarian wife. The original book, bought some 30 years ago was in complete tatters and this edition put a book back at her disposal. Like the updates in it. This is a book for anyone attempting basic Hungarian cooking. Dependable and easily follow recipes. Highly recommend.

Being Hungarian I ate a lot of this food in my childhood. These recipes are just as I remember the food tasting.

I was especially pleased that measures were in commonly used terms.

Since I am Hungarian, this is one of the best Hungarian cookbooks. I have the original paperback version (1967 which cost 60 cents). I used it so many times, I finally wore it out. I am glad I was able to find this at .

I had a worn out paperback of this cookbook and wanted a more durable hardcover version. The recipes are terrific and have the tone of great home, uncomplicated cooking. The recipes feel very authentic, written as though they have been handed down from generations.
