So, You Want To Be Canadian: All About The Most Fascinating People In The World And The Magical Place They Call Home

Synopsis

So, you want to be Canadian? Who doesn't these days? Canucks are enjoying a major renaissance in attention, from their enlightened social policies to their wild and wooly pop culture. This playful, trivia-packed book is a long-overdue celebration of all things Canadian, from the mysteries of "eh?" to the difference between an Ogo Pogo and a Windingo to how to prepare moose stroganoff (mmm!). Featuring a dreamy list of Canadian hotties, a toe-tapping roundup of Canadian smash hit songs, a handy Canadian-American translator, and pointers on how to eat, dress, and apologize like a Canadian if you weren't lucky enough to be born a Canuck, *So, You Want to Be Canadian* demonstrates once and for all why Canada is so cool (formerly just cold).

Customer Reviews

This booklet was interesting as far as it went, but content was lacking. On the other hand, it can be read in one sitting.

Interesting, a little comical & entertaining; and somewhat useful.

Received as described. Absolutely no problems with this product.

A quick fun read for anyone who is curious about Canada, wants to be Canadian, or just wants to blend in with the locals when visiting.

I put this little guy in the bathroom for my guests to read while they poop. Fun little facts and pictures.

This gave me good information, in a humorous way that I used for my trip to Canada

Although we are next door to the most powerful country in the world this book diminishes any feelings of inferiority that we may have. Merci Beaucoup. Also to have such a book for sale in an American bookstore displays the worthiness of US democracy. As there are many countries in the world that would not allow this to happen. Big Thanks in our local Athapaskan language that is mahsi cho. Bye now. Dennis Heasley

Laughing out loud.....
