Women In Vietnam

Synopsis

In "Women in Vietnam," veteran journalist Ron Steinman, author of "Inside Television's First War" collects the testimony of sixteen remarkable women who served, and provides an unflinching account of this crucial and long ignored part of the war. In powerful first-hand accounts, we read of their experiences on the front lines, on the bases, and in the cities, towns and villages. All these women served with honor, without complaint, and with distinction. "Women in Vietnam" is a unique historical document and a powerful record of extraordinary accomplishment. As a significant tribute to the women now serving in Iraq, there is a fresh essay from Ron Steinman about their accomplishments and heroism in that different war in an equally far off land that helps put in perspective how these women today also serve with honor and without complaint. --This text refers to an out of print or unavailable edition of this title.

Book Information

Hardcover: 272 pages

Publisher: TV Books; 1 edition (August 1, 2000)

Language: English

ISBN-10: 157500139X

ISBN-13: 978-1575001395

Product Dimensions: 9.3 x 6.3 x 1.1 inches

Shipping Weight: 1.3 pounds

Customer Reviews

I wondered where the women were?

Book has some very interesting stories told by woman who were in Nam.

Excellent book

This book was a Christmas gift for my sister who is a Vietnam Vet. She enjoyed it very much.

Thanks for the timely shipping

This book is not just a " Story", but is a series of interviews from women (now) who were young Girls (then).The pain, horror, and yes, anger, that these women feel now is evident in each one's story. None of them HAD to go to war--They were all volunteers. They went for their " Brothers" who needed them. How selfless !These women, today, continue to suffer from the aftermath of their selfless duty, yet the American Public STILL does not even recognize them as those who saved lives and sanity of the boys who served.Mr Steinman did a remarkable job

This is indeed an Oral History told by the women who volunteered their time to go to Viet Nam. Most were not "women" at the time, but just young girls. Their stories were just recently told, and they seem to share a common thread in their telling: The desire to HELP their Country and the young soldiers in America's longest war. Mr. Steinman's Introduction is masterfully done.

The American public treated returning Vietnam Veterans horridly.The women who volunteered to serve in Vietnam were ignored.Finally, the womens' stories are told, masterfully, and in their own words. This book has historical merit and is a must read.It will bring tears to the reader's eyes, as well as shouts of joy and triumph.I know. I was one of those nurses who volunteered to serve in Vietnam.Mr. Steinman did us proud.
