The AMERICAN BIBLE SOCIETY is an interdenominational, donor-supported, nonprofit ministry whose mission is to make accurate and affordable translations of the Bible available to everyone. Founded in New York City in 1816, ABS is dedicated to the purpose of presenting the Bible in compelling ways, enabling readers to experience life in its fullness through faith in Jesus Christ. ABS has a number of "firsts" in its record books: the first Bibles in hotels, the first pocket Bibles for soldiers (during the Civil war), and the first Bibles provided for the U.S. Military in 1817. The Society extends its outreach internationally through the United Bible Societies (UBS), a fellowship of 126 international Bible societies, and was instrumental in founding this global fellowship in the interest of greater ministry impact and efficiency. In 1999 alone, more than 63 million copies of the Society's

publications were distributed throughout the United States and the world. The CONTEMPORARY ENGLISH VERSION was published by the American Bible Society in response to an urgent need for a translation that would reach those many millions who are not reading the Bible. The goal was a Bible that is a serious translation-not a paraphrase-that combines historical and scholarly accuracy with contemporary language that everyone can understand. The result is a Bible that resonates with all people, wherever they may be in their spiritual journey. At last, a Bible that is easy to read, yet allows for a deeper connection to the very God who created us. Never before has there been a Bible that speaks so clearly to the heart and the mind of every reader. No biographical note available

Esta Biblia para niños ofrece muchas historias ilustradas con graficos muy logrados. El lenguaje utilizado puede resultar un poco elevado para segÃºn quÃ© edades. Esta Biblia ofrece explicaciones para que los padres que leen esta Biblia a sus hijos puedan entender mejor algunos tÃ©rminos y explicÃ¡rselos a sus hijos. Es una excelente Biblia. Recomendable para padres cristianos que buscan una Biblia para leer a sus hijos.

I have the English version of this book. The spanish translation is pretty accurate. The pictures are colorful and illustrating. What I really like about this book is that the bible stories are told in a biblical style more than in an "Once upon a time" fairytale kind! It also tells you in what books of the Bible you can find the stories and if its Old or New Testament.

We have a classroom set of these Bibles for a children's program in Honduras. The children, the teachers and the parents love them. This is a great gift idea for the Spanish-speaking child or family in your life. The book is very durable and will last. I know as we use them in a classroom setting. The back of the book has a special guide for parents to have guided discussions. It's a great gift, without doctrinal issues. It's just the stories of the Bibles with lots of great illustrations.

Great.

I love this Bible!

Muy buena biblia para los niÃ±os.

Gave as the most precious gift ever given to a 35 year old child of the most High God. She is

enjoying the child's bible because she is seeing herself as a child with the beautiful colorful pictures. The price was cheap for the amount of joy it's giving her. Thank you for making it available in Spanish. Hope to see more books available in Spanish on this great shopping website.

This book met all my expectations for a 5 year old boy from the Dominican Republic. The pictures were large, bright and entertaining, and the text that accompanied the images were large enough and not too wordy to hold a beginning reader's attention. Thank you so much for making this book available. It took me a long time to find something just like this one.
