I have subscribed to Sampler & Antique Quarterly I think since the beginning and it's a magazine I look forward to so much. But only every 3 months!! I read most cover to cover or at least browse pretty thoroughly and I had so many stashed in my craft room I didn't know what to do. So as I was surfing around books about samplers on , I stumbled onto this one as well as: Sampler & Antique Needlework Quarterly Collection 1991-2000 So now I own 20 years' worth at my fingertips and always accessible. Reading it on the computer is even better than in the magazine. I don't have a kindle but I bet it would be better on that as well. The indices are marvellous to find what you want. The quality of the research can't be beat and the pictures are crisp and clear. With each magazine

costing about \$7, with 4 per year for 10 years, you'd pay \$280. Buy this instead. Great bargain and great product.
