Sparkling Jewel: A Branches Book (Silver Pony Ranch #1)

Synopsis

Silver Pony Ranch is full of ponies, puppies, and adventure! This series is part of Scholastic's early chapter book line called Branches, which is aimed at newly independent readers. With easy-to-read text, high-interest content, fast-paced plots, and illustrations on every page, these books will boost reading confidence and stamina. Branches books help readers grow! Tori is super-excited to spend the summer at Gran's ranch--where there are lots of beautiful ponies! But she is NOT excited to share a room with her younger sister, Miranda. Miranda likes everything pink, and she loves puppies. Tori does not like pink, and she loves ponies. Tori soon falls in love with a rowdy pony named Jewel and she wants to ride her. But Gran says that Jewel is TOO rowdy. Will Tori and Jewel ever get to ride together? And when one of the ranch's puppies goes missing, can Miranda and Tori find the puppy and bring him back home?

The Silver Pony Ranch books are very popular with my students. They are great easy chapter books for any horse loving beginning readers you may have!

I bought this book after doing a general search for kid books about horses, for my 7 year old. I just gave it to her for Christmas and read half of it in one night (I had to stop because I was tired, but my daughter wanted more). She absolutely loves it. I wish there were more than just 2 books.

My second grade students loved this book. Puppies and ponies- what's not to love?

My daughter loved this book!

My granddaughter's favorite!
