Fashions Of The First Ladies (Dover Fashion Coloring Book)

Synopsis

From Martha Washington to Michelle Obama, 46 of the nation's First Ladies grace the pages of this entertaining and informative coloring book. Presidents' wives, daughters, and other relations who served as official White House hostesses appear here in finely detailed, ready-to-color line drawings. Many of the First Ladies are depicted in their inaugural gowns – others model less formal attire. Illustrations include Dolley Madison, shown in a gown of Chinese silk brocade; Mary Todd Lincoln, dressed in a rich velvet; Grace Coolidge in a sleeveless frock; Jacqueline Kennedy in a two-piece print outfit; Nancy Reagan in a woolen ensemble; and many others. Fact-filled captions complete this stylish collection, offering colorists and history buffs alike insights into the lives of the women who shared in one of the most demanding and visible roles in American public life.

Customer Reviews

It came exactly as advertised. Definitely worth the price. I buy lots of these coloring books for my future classroom and Dover is a great brand. The lines are all connected and bold and a lot of the pictures have an explanation on the bottom of the page. (I have posted this same review for all of the coloring books I've gotten that were exactly what I was looking for!) This particular one has multiple pictures of a few of the first ladies and only one for the others.

I'm not impressed with the printed images, they really lack a good outline.....Disappointed with this book.....Out of a 10, with 10 being the best, I would have to give this adult coloring book a low 4.....and I was so excited to use this book, such a let down!

Great coloring books and is current with Michele Obama. This Grandmother wants a bit of education with the fun.

Very nice pictures, but I miss the removable pages that the Creative Haven line offers.

Just picked up my coloring book. Looking at the pages and seeing all of the First Ladies in their beautiful gowns. I only have one problem and that is the pictures on both sides. I use gel pens it could mess up the picture on the other side. Maybe you could make new books with pictures only one one side.

Love this book

Too nice to color it. Actually a history of our First Ladies. Awesome book,!

The pics are so small and so filled in with black that they don't look like they're for coloring. I didn't like it at all and usually their coloring books are great.
