Fancy Nancy: Puppy Party

Synopsis

In Fancy Nancy: Puppy Party, it's Frenchy's birthday, and Nancy Clancy wants to give her pooch the most stupendous, glamorous, fabulous birthday party ever, from cake to balloons to party hats. She invites all of Frenchy's doggie friends to the celebration. But will the puppy of honor know how to behave at such an elegant event? Like Eloise and Olivia, Fancy Nancy brings as many smiles to adults as she does to kids. This 8x8 storybook is perfect for parents and children to enjoy together.

Grade Level: Preschool - 3

Customer Reviews

It's a puppy extravaganza! Nancy has the perfect birthday party planned for Frenchy and all of her friends. But will the birthday puppy be on her best behavior?

Jane O'Connor is an editor at a major publishing house who has written more than seventy books for children, including the New York Times bestselling Fancy Nancy series. She resides (that's fancy for lives) with her family in New York City. Robin Preiss Glasser actually wore tiaras and tutus when she danced with the Pennsylvania Ballet. Now she happily spends her days in

jeans, drawing. She has illustrated many acclaimed picture books, including the bestselling Fancy Nancy series. She won the Children's Choice Award for Best Illustrator of the Year for Fancy Nancy and the Mermaid Ballet. Robin and her family live in Southern California.

My daughter, Nancy, has long been a fan of the Fancy Nancy books. And so have I. Of course, there are so many titles now that it's hard to keep up with them all. Also, like most extended series, they vary in quality, though you can always count on Fancy Nancy for a nice story and really enjoyable artwork. In fact, I don't think the brilliance of Robin Preiss Glasser's art towards the success of Fancy Nancy always gets the notice it deserves. (To be fair, Carolyn Bracken does the interior art for this book, though it is based on Ms. Glasser's work.) This one, however, is one of my favorites of the recent titles. It's not an earthshattering story but it is a fun one. Frenchy, Nancy's dog, has a big birthday party with all the neighborhood dogs. As one might expect, "pandemonium" that's fancy for "all the dogs go wild" ensues. It's a really enjoyable tale that my daughter has no trouble reading on her own. That's what I want from these books and O'Connor delivers with this one.

We adore fancy Nancy! This is a great book and I got it at an excellent price! My 5 year old had followed in the footsteps of her three older sisters and is quite fond of reading fancy Nancy books. (Fond is a fancy word for liking something a lot). We even recently saw the musical! Here are photos of my real life fancy Nancy and her little sister

Another Good "Fancy Nancy", I wouldn't say the best. Both of my little girls adore Fancy Nancy, my youngest calls her Dancey Nancy because she loves her story with the tutus. This is a good book as to be expected. A little silly by some standards, but it keeps my girls attention, so that is all that matters. We will continue to purchase these types of books because my girls can relate to some of the activities in Fancy Nancy. I would say a good book overall.

My preschooler loves this book! If your child likes dogs and bling, this is the book for her. Lovely little story, entertained my child for hours on a road trip. Would buy again.

Purchased for my grand-daughter who at 1-1/2 years old, already understands, loves and appreciates books. Hope she feels the same when she's old enough to read them herself in a few years.

Super cute book all about a birthday party for Fancy Nancy's dog. As always in Jane O'Connors books it has "fancy" words with the typical word used so my daughter can broaden her vocabulary. Quick read and my 3 year old loved it!

I love Fancy Nancy books and this one is adorable ... my granddaughter had a "puppy party" so this was the perfect gift. She loves reading this and the story is charming.

Very cute story, beautifully illustrated!
