Book by Maisel, Sally J.

I found this book to be very informative and enjoyed the author's style of writing. However, this book was published in 1993 and the second half, which discusses specific cruise lines and cruise ships, needs to be updated due to the fact that approximately half the cruise lines mentioned are no longer in existence. New edition, anyone?

I think Ms. Maisel's book was not only filled with lots of useful information but was also fun to read. There should be more books out there like this. I really enjoyed it
