ttank you

This book is one of the most beautiful rosary meditation books I have ever found. It takes a very difficult but necessary aspect of life: the need for inner healing, and it gives amazing yet profoundly simple ways to pray about it in your own life. I think that anyone will find this book an amazing way to deepen their experience of the rosary and find inner healing even if you don't think you need it.

Many knots were loosed as I read this book. I will surely recommend it to others, as well as read it

several more times

Found it an invaluable aid in daily prayer. Would make a great gift for friends of like minds, without imposing on them.

It was really a good way to help recognize and identify things from your past that need examination and healing. I would recommend it highly. Michele

After reading the first few pages I could not put this book down. It opened my eyes made me fall in love with the rosary all over again.

This book was recommended to me by a friend and it has been very insightful and informative to me. I'd recommend it to anyone that wants to understand the relationship our past hurts have to our present behavior.

hard to remember everything but good
