Customer Reviews

Love the play and enjoyed the insights of the Cliff notes!

I could never "crack" Augustine whenever I'd wade into *CONFESSIONS*, Think it was the archaic language and his super-detailed thinking. Chanced upon *CONFESSIONS OF ST. AUGUSTINE: THE MODERN ENGLISH VERSION*. Contemporary language and abridged format of that edition finally opened up the work for me. Bought this Cliffs Notes just in case I needed help understanding *CONFESSIONS*. Great! Cliff Notes writer helped when I needed to check if I was following a particular point correctly.

I have really enjoyed revisiting Augustine in this way. A very concise view of his writings and life without compromising the details of his relationships with his family and mentors.

This purchase is helping my students with UIL goals.

For inquisitive minds who want to boil down the classic literary selection. Helpful to read along side of the entire works. This contributed much to my understanding and enhanced my reading of the world famous St. Augustine's confessions!

It was helpful to read this notes prior to reading the text. It helped give direction and context to Augustine's colorful prose.
