Gary Chapman is among the world's premiere authors and speakers on marriage and relationships. His books, including The Five Love Languages, has sold millions of copies, and he regularly conducts seminars world-wide. Dr. Chapman received his B.A. from Wheaton College, an M.A. from Wake Forest University, the M.R.E. and a Ph.D. from Southwestern Baptist Theological Seminary. He and his wife Karolyn live in Winston-Salem, North Carolina.

Fun marriage bible study. Excellent generalizations of "love languages". It was good to read this with my spouse and bible study group. I felt like I knew my spouse better after.

If you want to recreate the spark, if you want to maintain a healthy marriage, if you want to know what is your and your spouses love language, if you want to know why what you do or say isn't having an impact with him or her... then read this book, do this book, live this book... regardless where you believe your relationship is with your spouse. Also great for couples considering marriage... get a head start!

Good book to help bring up key points of the book to help better understand how important love language understanding is in a relationship.

My small group is currently using this book along with the Five Love Languages study video. It is easy to follow along and take notes. Each love language and dialect is described in detail and in plain language which is easy to understand. My favorite part is the applications which are suggestions for activities you might do to start practicing loving your spouse in his or her language. If you've already read the Five Love Languages book, the study guide repeats much of the same things.

I learned a lot about myself and why my current legal relationship has proven to be a failure. This is an excellent book for those just starting a relationship as well as for those who are having trouble in on.

Good book for couples, newly wedds or longtime married. Helps to understand what your spouse wants/needs. Could be useful for engaged couples too

This is meant to be done along with the did lesson guides but it is amazing. Gary Chapman knows what he is doing. If you are trying to save your marriage or trying to protect it from harm I highly recommend it!

Every couple should do this study together!!!!
