The Ring Of Wind (Young Samurai, Book 7)

Synopsis

Jack Fletcher is battling the high seas. Ambushed by the Shogun's samurai, Jack and his friends have only one hope of escape—the Seto Sea. But with ferocious storms, man-eating sharks, and ninja pirates at every turn, their chosen route is fraught with danger. A treacherous crew only adds to their problems as they flee south from a ruthless samurai sea lord. Unless Jack can harness the Ring of Wind, he and his friends are destined for a watery grave.

Will be reading this when we finish book number 6

Excellent series of books. I am currently 23 years old and started reading this series when I was 16 or 17 give or take and picked them back up recently and have been enthralled ever since.

I bought Young Samurai as a gift for my son. He blazed through it and the 7 subsequent books. Great reads.

This was an great and action packed book that my daughter loved and was really interested in.

This book is the seventh in series young Samurai. Jack Fletcher as usual is resourceful and brave. So are his friends. Missed Akiko this time. A twist in the end about the formidable Ninja adversary of Jack was good. I wonder when Jack will go home and see whether his sister is alive; each book starts with a letter that he writes but there is no reply. Yes, eagerly awaiting the Ring of the Sky

a gift for my husband. He loved this series.

Thank you for such a compelling series with characters that are decent and moral. I appreciate it. thank you again

what a GREAT series for boys AND girls, 10-50. I bought these for my teen, and got addicted and read the whole series. lots of fun.
