IR: The New World Of International Relations (10th Edition)

Synopsis

> A down-to-earth approach to contemporary international relations IR: The New World of International Relations provides students with a direct and down-to-earth understanding of contemporary international relations. This text surveys key events in world history as well as fundamental theoretical concepts to trace the international system's evolution and to assess its future. Putting the behavior of global actors into more complete context, IR helps students think critically about the challenges faced by the United States in an era of globalization. ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

Came on time, but its used and a bit damage but what do you expect from a rented book. It does the job as in you can still read and it does not come with access code but its alright I dont need it.

Great product!

had to buy this for my poli-sci IR class. interesting book! great read.

Ideal to avoid breakage while sleeping.

Excellent! Easy to read and understand. Short chapters.

Good book

Amazing quality
