Customer Reviews

great book, very well put together and fantastic shots of CSX on the former clinchfield. Definitely recommend purchasing this one!!

Great book!!! Complete coverage of moden day CRR. All color photos, print on demand style format.

A nice book filled with Great photography!

Eric Miller did an excellent job showcasing the CSX through the Clinchfield with his excellent photographs and write-ups. Two thumbs up.

The author's love for the railroad he is writing about and photographing is what really makes this book stand out. Miller tells the story of the Clinchfield Route during later CSX operations with the eye of a true enthusiast, and because of this he makes you want to go visit this piece of railroad and

route for its full return. His photography is terrific. You'll enjoy this book.
