The Rooster Bar

Synopsis

#1 New York Times *–* bestselling author John Grisham *–* s newest legal thriller takes you inside a law firm that *–* s on shaky ground. Mark, Todd, and Zola came to law school to change the world, to make it a better place. But now, as third-year students, these close friends realize they have been duped. They all borrowed heavily to attend a third-tier, for-profit law school so mediocre that its graduates rarely pass the bar exam, let alone get good jobs. And when they learn that their school is one of a chain owned by a shady New York hedge-fund operator who also happens to own a bank specializing in student loans, the three know they have been caught up in The Great Law School Scam. *–* But maybe there's a way out. Maybe there *–* s a way to escape their crushing debt, expose the bank and the scam, and make a few bucks in the process. But to do so, they would first have to quit school. And leaving law school a few short months before graduation would be completely crazy, right? *–* Well, yes and no . . . *–* Pull up a stool, grab a cold one, and get ready to spend some time at The Rooster Bar.
