We Are Musicians: A Book For Making Music Together

Synopsis

This book presents a series of interactive prompts to encourage parents and young children to make music together. Using positive statements such as "I am a singer," the author invites children to use their natural imaginations and love of play to sing, dance, drum, and more. Parents who may feel uncomfortable with their own musicality will find a safe structure in which they can start to let go of their own fears or misgivings and make music freely with their child. If you want to play and sing with your child but have always thought, "I'm not a good singer" or, "I don't know where to start," this book is for you.
