Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

This book has a nice cross section of classically pop tunes. They aren't very hard to play. And it increases your chops without too much work. these songs will work for non-classical players.

Broadening my repertoire is the Classical Pop book and CD. You can slow down the CD on a computer using the included software. I always wanted to learn these songs!
