His Holiness the 14th Dalai Lama, Tenzin Gyatso, is both the head of state and the spiritual leader of Tibet, although he describes himself as a simple Buddhist monk. He was born in 1935 and, at the age of two, was recognized as the reincarnation of the 13th Dalai Lama. In 1959, with the Chinese suppression of the Tibetan national uprising in Lhasa, His Holiness was forced into exile. Since then he has been living in Dharamsala in northern India, the seat of the Tibetan political

administration in exile. In 1989 His Holiness was awarded the Nobel Peace Prize for his nonviolent struggle for the liberation of Tibet.~ He is the first Nobel Laureate to be recognized for his concern for global environmental issues. He has received many awards, honorary doctorates, and other accolades in recognition of his message of peace, nonviolence, interreligious understanding, universal responsibility, and compassion.~ He is also the author of more than 70 books.

What can I say? I love this calendar. Good size to write appointments and reminders on the days, and a good quality picture of the month, reflecting on the teachings of the Dalai Lama. What I love the most, is that world wide national holidays and multiple religious holidays are also reflected on the observed dates.

I had this last year and it was SO valuable to begin the day with the wisdom of this incredible human. I absolutely was invested in having this insight and inspiring reminder each day of 2017.

As always, a superb calendar; with wonderful pictures of His Holiness and his teachings
