Founded in 1915 as the Cartographic Group, the first division of National Geographic, National Geographic Maps has been responsible for illustrating the world around us through the art and science of mapmaking. Today, National Geographic Maps continues this mission by creating the world's best wall maps, recreation maps, atlases, and globes which inspire people to care about and explore their world.

Nothing like the other NG maps I own! Doesn't have trails and other details. A pretty basic road map...

It was very clear

fine, but nothing special.
