Customer Reviews

Let me start by saying WOW WOW WOW!!! This is the first book that I have read that is written by Scott Meehan and I am impressed!!! Coming from an Air Force family myself, I was truly impressed by the military detail that was incorporated into the story. Ron and Sarah Hawkins are truly amazing in this story. The way that the author starts with describing their history and introducing the characters was a bit slow at first -- but proved to be entirely necessary!!! Once the introductions were done and the true story was started, I found it almost impossible to put the book down!!!! The twists that were put into this story made it feel even more genuine. I don't write spoilers, BUT - this was an amazing book that I found hard to put down until I reached the end!!!! I was given a copy of this book for an honest review.
