Very cute book - beautifully illustrated. Makes a great baby gift!

I purchased this book as a Baby Shower gift. I'm from New Orleans and I thought it was awesome. I am very big on books being diverse as far as cultures and races and this book delivered. It depicted pretty much ALL of the different types of people you would see in Louisiana. Great book and I would recommend.

Great pictures. Maybe not for toddlers but is a great book for kids to read over the years and learn about Louisiana.

Purchased this book for my granddaughter whose mom is from South Dakota. It is beautifully illustrated! Hopefully something she will treasure for many years!

Very cute book; reminds me of home. Love the illustrations! And it's fun to argue about which word should be associate with each letter of the alphabet, for us real natives.

Such a great book! Excellent illustrations and fun pieces if LA.

I got this book for my husband who is from Louisiana....our family is in NC and I just thought it would be a sweet book to read to our daughter so she would see a piece of daddy's childhood. Book was shipped very well, excellent condition.

Cutest baby gift.
