Ordered as a gift for someone who like "coffee table" books, and both of us were pleased. The condition was just a little less than perfect, but not bad at all for a book that had been out of print this long! I'm quite satisfied.

Another great book, love the photos

Beautiful coffee table book. We enjoyed the pictures and the book is well written. I highly recommend this book for those wanting to discover more about NC.

Beautiful photograhpy of iconic images - natural and architectural. Sometimes the pictures were a wee bit more "artistic" than I would have preferred, but still very enjoyable. This book reminds us of the beauty of our state.

Very helpful book although a little deceiving when it says hardback. I expected a hardcover book.

Lovely coffee table book with exquisite pictures of lovely North Carolina. I bought this book for researching NC before traveling to this lovely state. Would make a beautiful gift.

Enjoy mountain vistas along Blue Ridge Parkway in the Great Smoky Mountains, a dawn's early light of Cape Hatteras National Seashore, gaze at the Whitewater Falls, highest waterfall of the East of 411 feet, and be awed by 5,000 pipes of the Duke University Chapel's organ. If you are an avid hiker, you will be delighted with the jagged crest of Grandfather Trail on Grandfather Mountain. Or a whitewater rafter will enjoy the photography of Nantahala River with its Class I, II, and III rapids plus many more nature lover spots. History buffs will love the photographs of George W. Vanderbilt's Biltmore House, largest private home-four acres in size, in Asheville; the Oconaluftee Indian Village;

and, The Elizabeth II Sir Walter Raleigh's vessel that he used in his voyage to the New World. Many more historical photographs are included. In addition you will also find lovely photographs of wildlife, flowers and many other interesting landmarks. About the Photographer: Kevin Adams photography credits include: North Carolina's Best Wildflower Hikes, Hiking Great Smoky Mountains National Park, North Carolina Waterfalls, Wildflowers of the Southern Appalachians, and Waterfalls of Virginia and West Virginia. Adams, member of North American Nature's Photography Association, has received the following awards: * In 1995, the North Carolina Year of the Coast Award * In 1996, the North Carolina Year of the Mountains Award * In 1998, North Carolina Zoological Park Opinion by Reviewer: North Carolina, my state (transplanted from Texas), with lots of wonderful, wonderful photographs for any reader's enjoyment. A great coffee table book to show your friends and relatives. These vistas are as breath-taking and splendid as the photography in Our North Carolina and I can personally attest to that! All will enjoy this collection of Southern beauty.

What a beautiful book... not only for the coffee table but a must to share with others, whenever I need a gift for someone and I want to outwardly express my love for my home state... Our North Carolina... is the book I give!
